

The o k is a global multi-stakeholder alliance launched in 2011, that works to safeguard livelihoods of farmers while minimizing environmental impacts of rice production. The alliance fosters partnerships to help farmers to adopt sustainable rice cultivation practices, connected farmers with buyers seeking sustainably produced rice, and driven scale through advocacy. The SRP has proven that by following sustainable practices, smallholder farmers can produce at lower cost, increase net incomes, protect their health, and reduce the environmental and climate footprint of rice cultivation. See [www.sustainableice.org](http://www.sustainableice.org)

The SRP Secretariat and staff are responsible for establishing and managing systems and processes to enable the SRP to operate effectively across all programmes of work, and supports a membership base of over 100 institutional members across the stakeholder spectrum. Key programmes relevant to this role are training assurance and national chapter support.

h  
We are looking for a highly motivated o k h # ) to undertake the following roles:

- (1) Manage SRP's external Authorized Training Programme and in-house training delivery (trainer-training and farmer training) to partners;
- (2) Manage SRP support for establishment and operation of country-level National Chapters for SRP in key countries; and
- (3) Support operation, management and revision of the SRP Assurance Scheme, SRP Standard and related tools.

k u  
S/he will be responsible for developing SRP tools, systems and processes related to the tasks listed below:

1) SRP Training Programme:

- Administer the SRP Authorized Training Programme and act as focal point to support current and prospective new Authorized Training Providers (member institutions licensed to deliver certificated training programmes) including management of examinations, issuance of certificates to successful trainees, management of trainer database and coordination of opportunities for trainers.
- Update and support maintenance and updating of curricula and training modules in coordination with subject matter specialists, including development of supplementary training tools for country-level adoption
- Collect feedback from country forums to inform SRP Training Programme improvement
- Communicate and support Authorized Training Providers on updates to training modules including new languages and associated communication collaterals
- Report periodically on training activities and outcomes
- Identify growth opportunities for SRP training

2) Country-level capacity development:

- Act as focal point for receiving inquiries from SRP National Chapters and Working Groups
- Support and coordinate development of National Interpretation Guidelines (NIG)
- Facilitate exchange between country forums to support capacity building (South-South Cooperation)
- Monitor development of the SRP National Interpretation Guidelines in accordance with the Protocol for Development of SRP National Interpretation Guidelines
- Serve as key contact to National Working Group (NWG) by open the communication channel to active NWG in different countries

## Terms of Reference
